Additional comments:

Well maintained home in a quiet subdivision just south of the high school and middle school. This home features newer laminate flooring throughout the living room and hallway. Newer ceramic tile in the kitchen and bathrooms. There is a full walkout basement that is partially finished which includes a family room and another bedroom. It also has a workshop area in the unfinished part. The 2 car attached garage has plenty of extra space for yard tools and a mower. The backdoor leads to a large deck that overlooks the backyard and creek. The range and refrigerator will stay with the home.
